TADEK-

TOURISTS

In Zakopane there are plenty of different tourists who are travelling from different ethnical groups. We have seen people like: Arabs,

OSCYPEK

- Oscypek is a traditional polish dish made by polish mountaineers here is a recipe that we got from one of them:

„First we must to milk the sheep. Then we add podpuszka to cooking milk. Now we form oscypek and we put it into boiling water”

TRADITIONAL DISHES

ON OUR ADVENTURE WE HAD PLEASURE TO TALK TO AN OLD CITIZEN. HE SAID THAT HISTORY OF ZAKOPANE IS NOT WELL KNOWN, ZAKOPANE WAS A SMALL AND REALLY POOR CITY, IN ZAKOPANE LIVED ESPECIALLY PRISONERS- AND BECAUSE OF THE POORNESS THERE WERE NO "ORIGINAL" DISHES. MOST PEOPLE THINK THAT "OSCYPEK" IS THE MOST POPULAR "DISH"

THE MOST INTERESTING PLACE

- The most interesting place in the street of Zakopane we visited is a big, brown, wooden bear statue holding a bag full of gold, it represents not only the wealth of Zakopane but their traditionalism,
